

# Luminance Decay Measurement According ISO 16069:2017

When the lights go out,  
ours go on.™

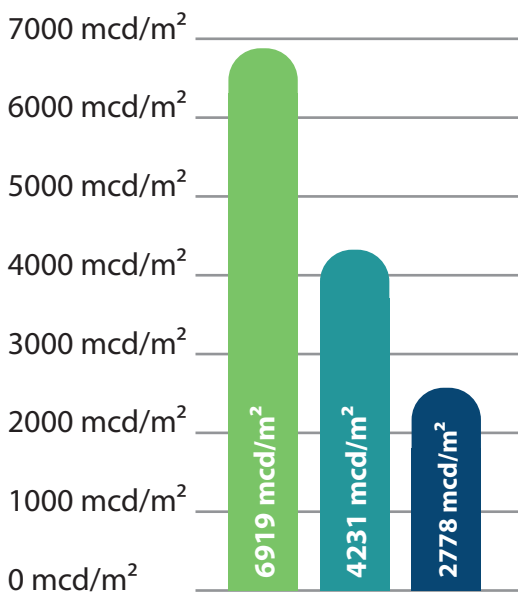

Minimum requirements for luminance decay properties - ISO 16069:2017

Time from withdrawal of excitation illumination min	Luminance mcd/m <sup>2</sup>
10	140
60	20
1800	0.3

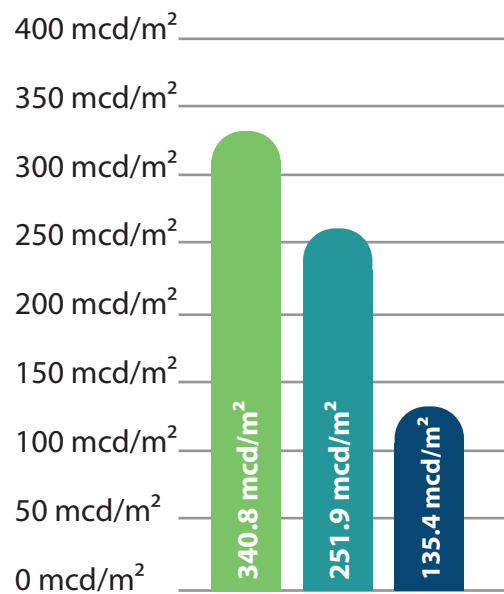

JALITE AAA Class C+

Competitor A

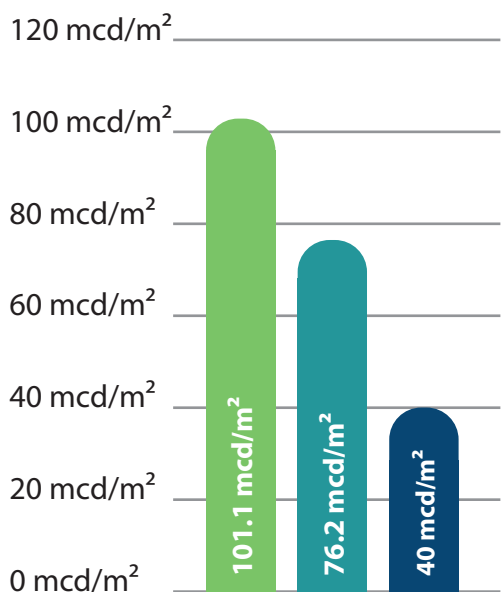

Competitor B

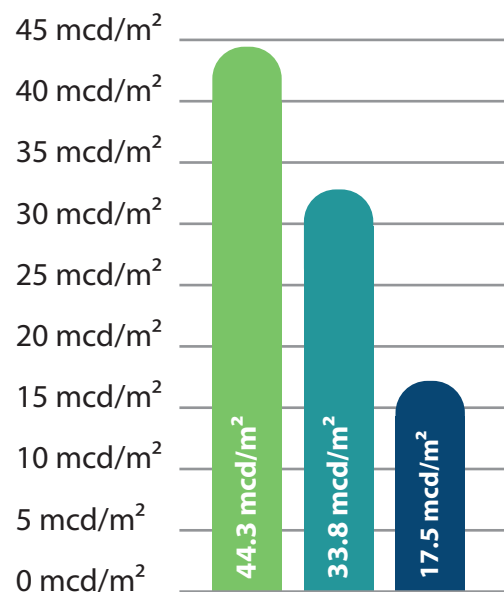

Luminance decay after 0 minutes

Luminance decay after 10 minutes

Luminance decay after 30 minutes

Luminance decay after 60 minutes
